Change and Changes

- Focus shift to include the two programs we have in-residence responsibility for in the ANG: ALS and NCOA
  - All staff dual-qualified
  - Attention to the program in greatest need
  - Ability to adjust as needed
  - Satellite programs

- Awareness of the transformation process in the DoD, AF, NGB, and ANG
  - Limited staff and resources used to effect the most enlisted members possible
  - Vanguard mindset in all actions
  - Are we adding value?

Programs Available

- Airmen Leadership School (ALS)
  - In-Residence
    - McGhee Tyson ANGB (3 classes, 50 seats each)
    - Tyndall AFB (6 classes,14 seats each)
    - AF ALS's as available (BETM contact NGB/DPDP)
    - Michigan ALS and Traveling Teams (as $$ allow)
  - Satellite In-Residence
    - Two Classes
      - 2005-1 Cancelled due to lack of field-level interest
      - 2005-2 Possibility of 120 seats (10 at each site)

Programs Available

- **Non Commissioned Officers Academy (NCOA)**
  - **In-Residence**
    - **McGhee Tyson ANGB (5 classes, 50+ seats each)**
    - **AF NCOA (335 seats, BETM contact NGB/DPDP)**
  - **Satellite In-Residence**
    - **Two Classes**
      - **2005-1 In-progress now, 31 students from 4 sites)**
      - **2005-2 Possibility of 120 seats (10 at each site)**

Current Issues

- PME Promotion waiver issues
- EPME staffing
- ANG/DPDP seat shortfalls possible
- Units not utilizing all the available seats
- Fit for fight program
- Student alcohol problems
  - Armed Forces Club / Dormitory
- Student violence problems
- Title 32 status/discipline/local authority
- TDY vs. education mindset

How can you help?

- **ALS**
  - Get PME-Waiver SSgt's into School ASAP
    - Use the Satellite ALS
    - Demotion is a consideration after 18 months
- **NCOA**
  - Ensure your Wing/GSU fully utilizes their seats
  - Ensure the members who attend at the AD schools are your best candidates

EPME Leadership Focus

- To develop leaders through the collaboration of professionalism, technology, and the effective use of resources
- To have a quality, safe, and effective military education facility
- To adjust as necessary to meet the needs of the ANG, the TEC, and the enlisted force
- To provide the best quality and the best delivered Professional Military Education in the Air Force
